Thanks Jane. We have been receiving a lot of requests. We plan to be as inclusive as possible but we will be constrained by room occupancy rates.

Hi Alex/Deb

Just passing on food for thought. This is the second of two emails that I have already received requesting attendance at the upcoming PFAS Regional Summit. This one is from New England Water Works Association (NEWWA) and another one was from Cape Cod Commission, on behalf of the affected Cape Cod communities.

I expect that the affected Cape Cod communities would be invited, but wanted to put on the table NEWWA. - and as you know there are many water associations, although NEWWA is the regional group. Don't have to answer now - just sharing while the logistics are still in flux.

Have a great weekend  
Jane

Hi Jane:

Hope you are well. We understand that there is a meeting on PFAS in Portsmouth on June 25. Would it be possible for one of us from NEWWA to attend to stay up to date on what's going on with the issue?

Thank you and have a great Memorial Day Weekend!

-Kirsten
